

**CATHOLIC UNIVERSITY OF CENTRAL AFRICA  
SECOND SEMESTER EXAMINATIONS (JUNE SESSION)**

Course Title: Introduction Marketing

Class: B2 EM

Duration : 2hrs:30 min

**Case Study 1: "BICEC Bank's Youth Savings Account"**

**Context:**

Banque Internationale du Cameroun pour l'Épargne et le Crédit (BICEC) wants to attract young customers (18-25 years) with a new digital savings account. Competitors like Afriland First Bank already offer mobile banking apps, but BICEC aims to differentiate itself by targeting students and young entrepreneurs.

**Questions: 15mks**

**a) Segmentation & Targeting:**

Identify three distinct segments within Cameroon's youth market.

Which segment should BICEC prioritize? Justify your choice. 5mks

**b) Positioning:**

- Propose a value proposition and brand slogan for the new account.

- How can BICEC leverage cultural trends in its messaging? 5mks

**c) Marketing Mix (4Ps):**

- Product: List 3 features the account should include

- Promotion: Suggest two low-cost social media strategies to reach youths in Douala and Yaoundé. 3mks

**d) Barriers:**

What challenges might BICEC face in rural areas? Propose solutions. 2mks

**Case Study 2: "Dangote Cement Cameroon"**

Background: Dangote Cement dominates Cameroon's construction market but faces criticism for environmental impact and high prices.

**Questions: 5mks**

a) : Analyze any three PESTEL forces affecting Dangote.

b) Propose two strategies to address environmental concerns.
