

CATHOLIC UNIVERSITY OF CENTRAL AFRICA
FIRST SEMESTER EXAMINATIONS (JANUARY SESSION)
Course Title: Introduction to General Management
Class: B1 EM
Duration :3 hrs

1) a- Based on the early Management Principles, are there any jobs today for which time and motion studies would make sense to do? Would any other skills need to be taught as well?

b- What do early management principles leave out?

(Provide explanations for your answers 10mks)

2) Maslow's hierarchy of needs is a psychological theory about what drives human behavior and what makes humans feel fulfilled. Based on this theory how do you define the term *prepotency*. Explain with the use of practical examples. **6mks**

3) What is the relationship between a goal and an objective? Why are goals and objectives relevant to leadership? **(4mks)**

GOOD LUCK !!

Dr Simo Christelle
